New Year's Eve Rally 29 Dec 2010 – 3 Jan 2011
Bath Marina Caravan Park, Bath BA1 3JT

The city of Bath is a World Heritage site and has a number of attractions that will appeal to many. The gorgeous Georgian architecture, the Roman Baths, and interesting museums are some such to name but a few. Bath has excellent shops and the New Year sales will be in full swing.

The development of the Southgate shopping centre is now complete and there are exciting new outlets that are well worth a visit, all laid out in pedestrianised area.

We are on a large commercial site with excellent facilities. We are currently in negotiation for an all-inclusive site fee for the five nights (incl. hook-up). Extra nights may be booked (at the same discounted price) and paid for separately. Hopefully it will not be more than £14/night. The regulars will wish to know that the site electrics have been upgraded! (But make sure you have plenty of gas!) There will be a welcome supper at a convenient hostelry (guide price £13) and a New Year's Eve party and dinner at *The Kennet & Avon Canal Palace* (guide price £22). We shall be in our own dining area. *The theme for this evening is 'Kings & Queens'!*

We are again arranging a group booking for a New Year's Day Viennese Spectacular Concert (guide price £18.00– the best seats).

All these costs are approximate. We will inform you later once they are fixed so that we can confirm your bookings and then accept your payment nearer the event.

The site is on the edge of the city, by the river, with a 'Park and Ride' just opposite.

Bring your BBQs. Weather permitting, we will have a BBQ lunch on 2 Jan.

N.B. All events and activities are optional

Details of how to find us: A map will be sent on request (please send s.a.e.)

Follow ICFR signs!
