See Caravan Club Directory, CL & Commercial Site IF you wish to extend your stay at Rally price please book this in advance as space may not be available & to avoid disappointment Arrival time on Rally start day is 12 noon otherwise from 1.30 pm. Please observe these times and try to arrive in daylight.

Note re Saturday & Sunday Entertainment

What can you do? ICFR has loads of hidden talent. Please indicate on your booking form your willingness to perform and what you can offer and let us know about any instrument you can bring with you. If you have not been before speak to others to understand what we do and how much fun is enjoyed by all.

Note re Dinner / Fancy Dress is Dickens Characters

The rally will be limited to 40 vans (usually 80 people), however the site Restaurant has a capacity for 72 diners so if we have to disappoint anyone (last to book) we can arrange a pub meal for them locally.

(In previous years we were able to accommodate all those wishing to attend within this seating capacity.)

Thursford Christmas Spectacular operate a strict minimum age of 8 years, fortunately there is no upper limit.

There is a “normal” maximum of two tickets per van, however a number of extra tickets may be available from Mike Segon; 01328 863 074. We shall request tickets for Friday, Saturday or Sunday evening (in that order) and the Rally programme may be adjusted accordingly.

There may be a small refund dependant upon the seats allocated.

The afternoon performance finishes at approx. 5.05 pm and the roads are very congested from 5. 10 to 5.40 pm. We suggest you arrive at the car park shortly before or after those times. Before the show visit “*Santa’s Magical Journey into Christmas*” or try shopping or taking refreshments, which could fill your time and you may be able to view some of the Museum Exhibits stored around the perimeter.

Don’t be late for the performance that starts promptly at 7 pm

+++++

Please note ICFR has no Insurance to cover loss or damage to Caravans and therefore Members should be satisfied they have adequate insurance cover as you attend at your own risk.

+++++

Wearing a name badge throughout the rally is a great help to others, the ICFR blue badges can be obtained from Maureen Morrison (see Directory for contact details)
